

Anti-Theft

Main features:

- > Weather resistant
- > Multi-operator SIM
- > Multichannel notification, in real time and free of charge
- > 2 years warranty
- > Suitable with all beehives models
- > Position tracking with precision of 20 m
- > Access to 3Bee APP/WEB-APP for tracking
- > Small size, easy to be hidden
- > Removable and rechargeable battery

Technical features

Size	174*28*22 mm
Weight	100 gr
Power supply	Rechargeable Li-Ion battery YJ 18650 3000mAh 3.7V
Data transmission	Module 2G GSM/GPRS
Main materials	Plastic case in PVC/ ABS Polymeric cup
Geolocalization	GPS/BEIDOU/GLONASS/GALILEO
Battery charging	Custom power supply tool sold by 3bee
Battery runtime	6 months in standard usage condition
Temperature range	min-20°C, max +40° C
Monitored parameters	Movement, vibration and overturning Instrument sensitivity can be modulated on request
