

Main features:

- › Weather resistant
- › Multi-operator SIM, No Wi-Fi needed
- › Tailored data transmission plans
- › 2 years warranty
- › IR night vision
- › Access to 3Bee APP/WEB-APP for image visualization
- › Modular and easy to be transported
- › Photo trap with high sensitivity motion sensor

Technical features

Size	7 × 7 × 7 cm
Weight	150 gr
Image resolution	2MP 1080P
Power supply	Rechargeable Li-Ion battery DTP105050 3000mAh 3.7V
Data transmission	Module 2G GSM/GPRS
Main materials	Plastic case/polimeryc lens
Battery charging	1 W solar panel or power bank
Battery runtime	1 months in standard usage condition
Temperature range	min-20°C, max +40° C
Lens	DFOV 110 degree with low barrel distortion
Filter	IR-LED filter activated by automatic switch
